## PROFILE

A highly motivated and detail-oriented Frontend Developer passionate about building user-centric web applications. Focused on creating seamless user experiences with clean, efficient code. Known for strong problem-solving skills, collaboration, and a continuous drive to grow professionally. Seeking an opportunity to contribute to impactful projects and further enhance my development skills.

## WORK EXPERIENCE

### FRONTEND DEVELOPER INTERN

Diya Interactive / Nov 2024 - Jan 2025

As a Frontend Developer Intern at Diya Interactive, I had the opportunity to work on live projects, collaborating with the team to build and enhance web applications.

- Worked on live projects, contributing to the development of user interfaces and functionality.
- Utilized React Js, TypeScript and Tailwind CSS to build and enhance web applications.
- Involved in code enhancement and bug fixing, ensuring smooth performance and bug-free functionality.
- Transformed responsive Figma designs into fully functional code, ensuring cross-device compatibility and a seamless user experience.

## EDUCATION

### ADVANCED DIPLOMA IN SOFTWARE ENGINEERING

Aptech Pakistan / 2021 - 2024

### INTERMEDIATE

Nabi Bagh Z.M Govt Science College / 2018 - 2020

## PROFESSIONAL SKILLS

- Strong proficiency in Frontend Development, focusing on building dynamic, user-friendly web applications.
- Expertise in developing responsive and interactive user interfaces using modern web technologies.
- Skilled in debugging and enhancing code to improve performance and fix bugs.
- Fast learner, always eager to stay updated with the latest trends and technologies in frontend development.
